

Unremitted Revenues: 2017

Jan-17	Feb-17	Mar-17	Apr-17	May-17	Jun-17	Jul-17	Aug-17	Sep-17	Oct-17	Nov-17	Dec-17	TOTAL
\$448.20	\$193.20	\$216.60	\$181.20	\$181.80	\$201.60	\$182.40	\$334.20					\$1,939.20

Unremitted Revenues are funds received from telecommunications companies without appropriate processing data.

The LCPA is prohibited from indicating the companies and their specific unremitted amounts due to proprietary protections under law.

The LCPA attempts to obtain appropriate data from companies that have unremitted revenues, in order to obtain their full compliance.

If and when good data arrives, unremitted revenues are processed as a back payment and issued to the appropriate PSAPs.
