

KANSAS 911

Coordinating Council

December 14, 2016

Dear Communications Provider,

Nonprofit Solutions, Inc., has been selected to serve as the Local Collection Point Administrator (LCPA) for the Kansas 911 Coordinating Council beginning January 1, 2017. Telecom providers will need to complete a new authorization form for fees to be pulled from their accounts monthly. This form can be found on our website at www.kansas911.org.

If a pull from your account is not possible, the fees can be remitted by check to the following address:

*Kansas 911 LCPA
P.O. Box 842
Emporia, KS 66801*

Please remember that fees collected are due to be remitted by the 15th day of the month following. Also, the details of the fees collected are to be submitted at or prior to that date. The file containing those details is to be submitted to K911@np-solutions.org.

If you have any questions regarding this change, please submit them in an email to K911@np-solutions.org and we will respond as soon as possible. Thank you for your cooperation during this transition!

Sincerely,
