For example, what changes might be expected with the increased fee. She advised this will help people to understand the need and determine if the increased fee will be covering the same expenses or additional expenses. (b) To minimize additional costs to the department, the department may conduct audits of sellers in conjunction with sales and use tax audits. The department is authorized to provide the LCPA with information obtained in such audits if such information indicates that a seller may not be complying with the provisions of this section and K.S.A. 2017 Supp. 12-5371, and

amendments thereto. The LCPA may request<sup>23</sup> the department to initiate collection or audit procedures on individual sellers if collection efforts by the LCPA are unsuccessful.
